

Liberal Breakfast

A joint event series of the Friedrich Naumann Foundation for Freedom and the Alliance of Liberals and Democrats for Europe (ALDE) Party

Priorities of the Lithuanian Presidency 2013

Wednesday, 10 July 2013
8.00 – 9.30h

Venue: Lithuanian Permanent Representation, Rue Belliard 41-43, 1040 Brussels

About the event

In the second half of 2013, Lithuania will hold the Presidency of the Council of the European Union and it is the first of the three Baltic States that joined the EU in 2004 to do so. While its predecessor Ireland focuses on "stability, jobs and growth", Lithuania will strive towards a "credible, growing and open Europe".

One senior Lithuanian official recently said: "*We need to work together effectively to achieve common goals, because the results depend on all of us...We need to keep building a Europe that is credible to its citizens and the world. A Europe which grows its economy and offers jobs. A Europe, which remains open to its partners and neighbours.*"

Will Lithuania be able to stick to its ambitions and fulfill the promises it makes?
